THE MOTORIST PRAYER

New York Times--(Author Unknown)

Grant me a steady hand and a watchful eye,
That no man will be hurt when I pass by,
Thou gavest life, and I pray no act of mine
May take away or mar that gift of Thine
Shelter those, dear Lord, who bear me company
From evils of fire and all calamity,
Teach me to use my car for other's need,
Nor miss through love of speed
The beauties of Thy world: that thus I may
With Joy and Courtesy go on my way.

Mr. Wilfred Walling delivers to Principal Caryl E. Adams keys to the new Ford sedan which has been donated to WPCS by Walling's Garage of Lisle, New York for use by Mr. David Pearson in the new Driver Education classes for high school students. The car is also used for adult driver training under the Adult Education Program. Left to Right: Principal C. E. Adams, Wilfred Walling and David Pearson.

Foreword

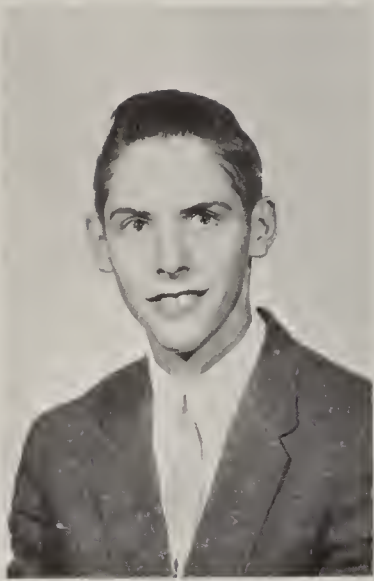

A school such as Whitney Point Central exists for the purpose of carrying on the culture of society; that is to meet the needs of boys and girls and the communities in which they live. Certainly the automobile is a definite part of our culture. This year W. P. C. S. has added a course in Driver Education.

The goals of Driver Education are: to develop a strong sense of responsibility for the common welfare, as it is affected by and involved in the operation of motor vehicles, to develop pride in maintaining high standards of performance in the operation of motor vehicles and highways; to promote effective habits of cooperation in meeting and solving common problems concerned with the use of motor vehicles and highways; to prepare

people for socially useful vocations suited to their individual abilities, involving the use of motor vehicles.

Driver Education is functional education at its best. It is helping youth to learn to assess the risk in any adventure, through enabling them to avoid forfeiting life or limb for any one single thrill. Through this program, youth learn self-guidance and self-protection. They develop social consciousness and concern for the safety of others. Sportsmanship, Safety First, Straight Thinking, Courtesy, Consideration and Carefulness—these rules and these goals are applicable to any training to meet life's situations. Is this not a means to that greater end—A Good Life—for all the people?

In Memoriam

Lawrence

Bessie

Edwin

Four members of a Whitney Point family lost their lives as the result of a train-car accident on October 21, 1956. The family car was struck by a train at the Liberty Street crossing in Whitney Point.

Lawrence E. Hoyt, driver of the car, was a member of the senior class at Whitney Point Central School. He was taking an agriculture course and had always been interested in cars and auto mechanics.

Larry was born March 30, 1939. He died November 1, 1956, in the Wilson Memorial Hospital without regaining consciousness from the accident.

Edwin Hoyt was born on January 1, 1942. He was a member of the seventh grade class at WPCS.

Bessie Hoyt, a sixth grader at WPCS, was born August 26, 1945.

Edwin, Bessie and their mother, Mrs. Ella Hoyt were killed instantly in the accident. The family had moved to Whitney Point from Greene and entered WPCS on May 9, 1955.

Administration

Principal

Sup. Prin. C.E. Adams

DID YOU KNOW?

Since Principal Caryl E. Adams assumed his duties at WPCS he has handed out about 580 diplomas to graduating seniors.

DID YOU KNOW?

Members of the Board Of Education give about three hours of their time each month to approving bills and considering matters which may rightfully be brought before them which pertain to the running of WP CS.

To The Seniors:

Congratulations on your graduation. You have worked for many years to achieve this goal and we are proud and happy to award your diploma to you. When you work and study to pass your driver's license and finally obtain it you must realize that, as you accept it, you also must accept the responsibilities which go with it. You drive carefully, yield the right of way, obey the traffic laws, keep on your own side of the road, never pass on curves, and so on. It is the same with your high school diploma. When you accept it, you must accept the responsibilities which accompany it. You must act as an intelligent person, base your actions on good judgment and actual facts, do away with childishness and temper, assume your new maturity with a firm resolve that life is worth while and will become more worth while if you are doing your very best each day. We have every confidence in you. Will you measure up?

WHITNEY POINT CENTRAL SCHOOL 1934-1957

Voters of the towns of the Central School District voted to centralize the Whitney Point Central School District in December 1934. The new Whitney Point Central School was ready for occupancy in December 1936. During World War 2 a defense school was run using school facilities to further the war effort. Three building expansions have been completed, one in 1948, the second in 1952 and the biggest new addition was completed in 1956. At present the school has an enrollment of 1473. Adult Education was added to the school program in September 1955. Since then about 400 adults have made use of WPCS facilities. There are 29 grade teachers, one-grade supervisor, 36 high school and special teachers and, of course Supervising Principal Caryl E. Adams. All of this spells EDUCATION-training for the future.

You boys are sick. Let me make you a nice cup of herb tea!

This has gone far enough. Susie thinks you're serious!

I didn't trick anybody. Ask the boys, they'd probably love to talk about it.

"You Can't

"You Can't Kiss Caroline," a three-act comedy, was presented by the class of 1957 in the school auditorium, on November 28-29-30. The play was directed by Mr. Joseph Barrett. The play involved teenage problems of dating and of a younger sister.

Would you like to see my fresh water algae and my snake, Miss Jameson?

Howie-e-e, you old mud turtle, get a move on!

Joe leans over the counter and kisses her.

Fans get autographs from stage crew.

Three prompters kept the play in action.

Stage crew moves the scenery—a juke box.

Mix up a magician with a house full of strangers, and anything can happen-and did! Hypnotic trances and amateur psychology caused excitement galore throughout the three acts of "Head First," the three act farce comedy presented by the Class of '58. Presented to a responsive audience on April 3-4-5-1957 this proved the juniors to be real troupers and Mr. Edson Edmunds, class adviser, a first-rate director.

BASEBALL 1956

Although the Eagles did not manage to win many games in 1956 they seemed to make headlines for all of their four victories. The first win came when Coach George Zimmerman's Eagles handed Marathon a crushing 13 to 6 defeat. Three games later, the Eagles knocked Chenango Forks, from the ranks of the undefeated with a 14-6 victory. Still in the upset mood, the Eagles sparked by pitcher Al Schmedicke's best performance of the season, handed the visiting Oxford Warriors a 2-0 loss. Al pitched a no hit-no run game, striking out 16 of the 24

men he faced. At this point, the locals hit the skids, losing five games in a row before rallying to deprive Chenango Forks of a tie with Sidney for the Northern Division championship with a 3 to 1 victory over the Blue Devils.

Senior lettermen were Doug Miller Paul Page, Al Schmedicke, Jerry Scholes and Rex Stahl. Elwyn Eaton Murray Hall, Jerry Hodges, Dick James, Bill Kimble and Carl Tingley will return in 1957.

The little Eagles failed to post a victory in eight contests, but gained much valuable experience for future years.

TRACK 1956

This record is the best one turned in, in the history of W.P.C.S. David Adams, hurdler, will be the only boy the track team will lose. The rest of the home forces, which consist of Juniors, Sophomores, and Freshman will be around for the 1957 season.

David Chichester, Junior, breaking his discus record in the 1955 season, continued to break his own record, the League record at Norwich, Conference record at Cortland "Class B" Trials and placed seventh at West Point.

Other records that were broken, were the relay runners were Don Driscoll, Hiram Mead, Dick Courtney and Ivan Sears. Eight-eighty was busted by Jim Page; Mile by Neal Roe, and Don Driscoll tied the Mile record.

Captain Dave Chichester and Co-captain Carl Tingley were the main stem in the backfield as both of them combined to set up 90 percent, of the scoring done by the Eagles. Varsity Lettermen leaving this year are: Tackles-Larry Smith and Ed Driscoll, Ends-Jim Page, Bill Freije, Dick Courtney and Hiram Mead. In the backfield, in full-back position was power house Dave Chichester and running force was Carl Tingley at quarterback.
